

Export companies of the Rjasan Region

№	Company	Products for export
1.	AMK "Ryazansky"	<ul style="list-style-type: none"> • Milk products.
2.	LLC "Teplopribor"	Control-measuring devices: <ul style="list-style-type: none"> - pressure converter; - relay sensors and level switches; - level gauges and indicators; - ultrasonic gas meters; - power supply units; - apertures; - special devices.
3.	LLC "Nemuno Banga"	<ul style="list-style-type: none"> • Production of polyethylene products.
4.	LLC "Vestar"	Production of wet napkins, soap, washing, cleaning, perfuming and cosmetic means.
5.	Kasimovsky instrument-making plant	<ul style="list-style-type: none"> • Steam sterilizers with chamber volumes of 10, 25, 75, 100, 120 l. • Air sterilizers with chamber volumes of 10, 20, 40, 80, 160, 320 (including passage type), 640 l. • The complete set of hardware-software eight-channel constant, alternating and impulse travelling magnetic therapy fields KAP-MT/8 – "Multymag". • Heat welding devices for sealed packing of instruments. • Ultraviolet chambers for sterile products storing. • Air thermostats and dyeing cabinets with chamber volumes of 20, 40, 80 l. • Multi-functional metal furniture. • Services in metal and mechanic processing, powder coating, die tooling making, assembly-mounting and cable production.
6.	LLC "StekloPromSnab"	Wholesale of ceramic and glass products.
7.	LLC "Guardian Steklo Ryazan"	<ul style="list-style-type: none"> • Production and wholesale sheet glass.
8.	CJSC "MPK "KRZ"	Production of soft roofing and waterproofing materials, flexible tiles, bitumen and mastics, paper and cardboard, corrugated cardboard packaging, base for sanitary and hygienic paper.
9.	LLC FTC "Tyazhpressmash"	<ul style="list-style-type: none"> • Forging-pressing equipment. • Oil-gas equipment. • Steel, iron and nonferrous casting. • Forgings.
10.	JSC "Russkaya kozha"	<ul style="list-style-type: none"> • Leather for footwear, furniture, haberdashery, automobiles, aircraft, leather for clothes, for military industrial

		<p>complex, leather for special footwear.</p> <ul style="list-style-type: none"> • Fur lining, fur Double Face. • Natural leather souvenir production.
11.	TH “Ryazan Tannery”	Production and sale of natural leather and ready-made leather products.
12.	CJSC “Promcatalyz”	<ul style="list-style-type: none"> • Production of catalysts, adsorbents, dehydrators for oil processing, petrochemical, chemical and gas industry. • Processing of deactivated catalysts, containing palladium and platinum. • Services in choice, loading and operation of catalysts.
13.	LLC “ERA”	<ul style="list-style-type: none"> • Production of ventilation systems.
14.	LLC “CILITA”	<ul style="list-style-type: none"> • Production of medical instruments and equipment.
15.	LLC “Enterprise “KONTACT-1”	<ul style="list-style-type: none"> • Devices for level control and measuring: <ul style="list-style-type: none"> - level gauges and indicators; - Speed control devices; - Radar level sensors; - Support sensors; - Thermal suspensions; - Automated systems of technological process control.
16.	JCS “Zavod metallov i splavov”	<ul style="list-style-type: none"> • production of tin and lead products. • Bimetal heating radiators. • Casting under pressure.
17.	JSC “Elatomsky instrument-making plant”	<ul style="list-style-type: none"> • Portable and complex physiotherapy equipment, ultrasound settings for pre-sterilization cleaning of medical instruments, plastic medical products: reservoirs, containers for disinfection and pre-sterilization processing of medical devices, containers of disinfection and transportation of spent medical materials, autoclavable and non-autoclavable trays, protecting glasses and masks, mobile and stationary racks, mobile tables for bed patients, medical tourniquets, special disposable tanks, containers for thermometers storing, copiers for the production of glasses, medical furniture.
18.	GC “Fabrikant”	Production of furniture and components.
19.	LLC “Russky Moroz”	<ul style="list-style-type: none"> • Production of frozen semi-finished products.
20.	LLC PC “STRIM”	<ul style="list-style-type: none"> • Fast hardening mixtures with shrinkage compensation.
21.	JSC “Ryazansky Radiozavod”	<ul style="list-style-type: none"> • Connection means of VHF range. • Antenna-feeder devices. • Radio communication means for railway transport.

		<ul style="list-style-type: none"> • Application of galvanic coatings. • Production of plastic and rubber technical goods. • Fabrication of tooling. • Production of parts by the method of casting under pressure. • Bimetal heating radiators.
22.	JSC "Tochinvest"	<ul style="list-style-type: none"> • Metal constructions for roads, services on hot dip galvanizing of metal constructions on tolling basis.
23.	LLC "LINA"	<ul style="list-style-type: none"> • Production of food supplies of deep freezing.
24.	LLC "MGK "Svetovye Technologii"	<ul style="list-style-type: none"> • Production of lamps of different purposes. • Lighting products.
25.	JSC "GRPZ"	<ul style="list-style-type: none"> • Onboard radio electronic equipment for aircrafts and helicopters. • Video information intellectual processing systems for optical electronic complexes. • Multipurpose digital computers. • Multilayer PCB of the 3-7th precision classes: flexible, flexible-hard, microwave cards, PCB with heat sink layers on the basis of aluminum, cards with blind holes, card of the layer-by-layer escalating technology. • Surface mounting of SMD-components. • Compact welding machines of the inverter type "FORSAGE" for 160 A up to 500 A currents for manual arc welding with piece electrodes, for semiautomatic and argon arc welding. Wire feeders for semiautomatic welding. Air plasma cutting device. • Series of intraocular pressure measuring devices through eyelids of "diathera" trademark: tonometers TGD c-01 and TGDc-03, indicators IGD-02 and IGD-03. • Magnetic therapy ophthalmological devices AMTO-01 diathera and AMTO-02 diathera. • Electric charging station of the alternating current "Fora" EZS-AC. • Electric charging station of the direct current "Fora" EZS-DC. • Car engine electronic control systems.
26.	LLC "RZKA"	<ul style="list-style-type: none"> • Production of cable fittings.
27.	JSC "RZMPK"	<ul style="list-style-type: none"> • Sealed, magnetically operated contacts (reed switches). • Reed relays. • Solar energy devices. • Security alarm devices. • Automotive electronic devices.
28.	LLC "VISA"	<ul style="list-style-type: none"> • Wholesale of key-lock products and cash-registers.
29.	LLC "Rimwoodpro"	<ul style="list-style-type: none"> • Railway sleepers. • Transfer beams, bridge timbers.

		<ul style="list-style-type: none"> • Post-supports of power and communication lines. • Construction lumber. • Services on wood impregnation with different anti-septics. • Logistic services with railway cargoes. • Wooden frame houses.
30.	LLC "Kvintal-R"	Production of flexible packing materials.
31.	JSC "Mostcom"	Wireless optical equipment "Artolink": <ul style="list-style-type: none"> • Space terminals; • Stationary terminals; • Mobile terminals; • Underwater terminals.
32.	LLC "Vacuum technologies"	<ul style="list-style-type: none"> • Vacuum interrupters; • Operated vacuum arresters; • High-voltage vacuum contactors KBT-10; • Contactror КББ 3-25 УХЛ2; • High-voltage vacuum contactror КББ 3-300.
