Subject: Letter of recognition for Incotex Luminaire Model: Office Slimpanel DS DVO-28-2-P600x600

Dear Mr. Burukin,

it is with great delight I'm writing this letter to you in appreciation of the Incotex luminaires installed under our auspices at the "Freie Evangelische Gesamtschule Minden" at Kingsleyallee 5, 32425 Minden (500 pieces) and at the Frankfurt Airport Cargo Terminal as well as at the medical practice of Dr. Fleischmann in Munich. The high light emitting efficiency is simply impeccable. Incandescence and light propagation are impressive and so are the general diffused and jitter/flicker free lighting.

We're more than happy with your installation. That's why we have re-ordered more quality products from you.

Thank you.

Yours ever in the service of St. John,

HE Kurt K.J. Schaller GCSJ
