

MAJOR AGRO is the largest company in Russia with a full cycle of organic production, which has received Russian and European certificates of conformity.

We are interested in the development of the export direction and consider you as a potential partner, we are ready to offer two types of products:

- **Certified organic grain**
- **Classic grain**

We also want to inform you that we are ready to grow any kind of crops individually for your needs.

ORGANIC

Wheat Organic RU-BIO-112

| | | | |
|----------|--------|-----------------|----------|
| Protein | 12,70% | Hectolitre Mass | 777 gr/L |
| Gluten | 17,40% | Weed admixture | 0,30% |
| Humidity | 12,80% | Grain admixture | 2,34% |

Oats Organic RU-BIO-112

| | |
|-----------------|----------|
| Humidity | 12,20% |
| Hectolitre Mass | 569 gr/L |
| Weed admixture | 0,16% |
| Grain admixture | 3,86% |

Barley Organic RU-BIO-112

| | | | |
|-----------------|----------|-----------------|-------|
| Protein | 12,60% | Weed admixture | 0,62% |
| Humidity | 13,50% | Grain admixture | 1,42% |
| Hectolitre Mass | 678 gr/L | | |

CLASSIC

Wheat III grade

| | | | |
|----------|---------|-----------------|--------|
| Protein | 12%-15% | Weed admixture | 2% max |
| Gluten | 23%-28% | Grain admixture | 5% max |
| Humidity | 14% max | | |

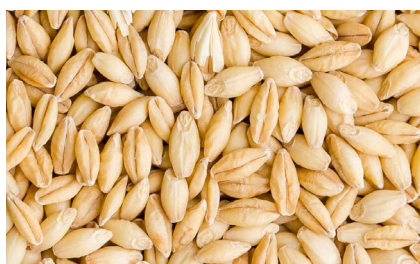

Wheat IV grade

| | | | |
|----------|---------|-----------------|--------|
| Protein | 11%-12% | Weed admixture | 2% max |
| Gluten | 18%-23% | Grain admixture | 5% max |
| Humidity | 14% max | | |

Wheat V grade

| | | | |
|----------|---------|-----------------|---------|
| Protein | 11% max | Weed admixture | 5% max |
| Gluten | 18% max | Grain admixture | 15% max |
| Humidity | 14% max | | |

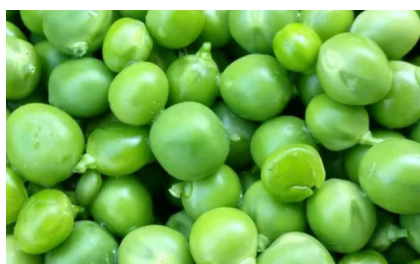

Barley

| | |
|-----------------|---------|
| Humidity | 14% max |
| Weed admixture | 2% max |
| Grain admixture | 5% max |

Malting Barley

| | | | |
|----------|---------|-----------------|--------|
| Protein | 11%-12% | Weed admixture | 1% max |
| Humidity | 14% max | Grain admixture | 3% max |

Peas

| | |
|-----------------|---------|
| Humidity | 14% max |
| Weed admixture | 1% max |
| Grain admixture | 5% max |

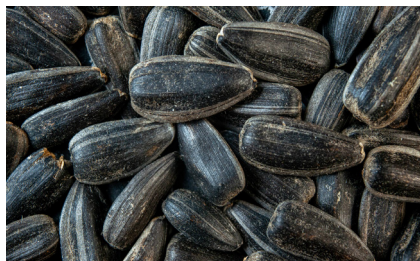

Corn

| | |
|-----------------|-----------|
| Humidity | 13,5% max |
| Weed admixture | 1% max |
| Grain admixture | 5% max |

Soy

| | | | |
|----------|---------|-----------------|--------|
| Protein | 36% min | Weed admixture | 2% max |
| Humidity | 12% max | Grain admixture | 6% max |

Sunflower

| | | | |
|--------------------|------------|-----------------|--------|
| Acid number of oil | 3 mg/g max | Humidity | 7% max |
| Shrovetide | 50%-55% | Weed admixture | 1% max |
| | | Grain admixture | 3% max |

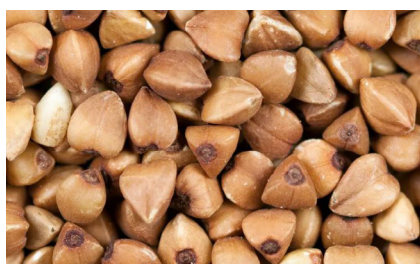

Rapeseed

| | | | |
|--------------------|------------|-----------------|--------|
| Acid number of oil | 3 mg/g max | Humidity | 8% max |
| Shrovetide | 40% min | Weed admixture | 1% max |
| | | Grain admixture | 3% max |

Oats

| | |
|-----------------|-----------|
| Humidity | 13,5% max |
| Weed admixture | 2% max |
| Grain admixture | 4% max |

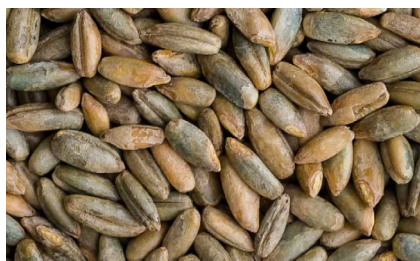

Buckwheat

| | |
|-----------------|---------|
| Humidity | 14% max |
| Weed admixture | 2% max |
| Grain admixture | 3% max |

Lentils

| | |
|-----------------|---------|
| Humidity | 14% max |
| Weed admixture | 1% max |
| Grain admixture | 2% max |

Rye

| | |
|-----------------|---------|
| Humidity | 14% max |
| Weed admixture | 2% max |
| Grain admixture | 4% max |
